Dean -

I was able to locate the final signed response and a copy of the incoming letter and have made a PDF of each letter. Please note that the incoming letter has a lot of attachments which I did not include. If you or John need a copy of all of the attachments to the incoming letter, just let me know.

Hi Brent,

Could you take a quick look on Monday. Don't spend too much time on this. I told Djou's staffer, that he might have to do with a draft of the letter we sent.....

John, thanks for taking a look, glad you had the draft, it should be able to let the staffer know it's a DOD/DOH issue....

Thanks!

Dean, I haven't found the signed letter. I'm sure it went out, just don't know if the RA's office sent it and didn't send me a final copy, and/or maybe I just misplaced it. Hopefully Brent can find it in his/Sunny's old files

John

Hi John,

Do you possibly have a hard copy in your files of the signed letter? Brent Maier can always PDF it so we can provide to Djou's staffer. Brent's not sure if we have a PDF file or hard copy, this was from before Sunny Nelson retired.....

Just let me know, if we can't find a copy or file, I'll send the draft and let the Djou staffer know we had addressed this issue with Case prior.....and that the best contact would be DOD or DOH.....

Thanks!

Dean

I spoke with Clarence Callahan a bit about this in 2005-2006 when he was with DOH and had the lead on this. I really didn't get involved, except for a Congressional that we got at the time. Our draft reply is attached. I'd have to look further for the signed copy.

Not sure you want to share the DOH memos with others without DOH consent.

John
